Copies of the petn having been sent, there seems to be no necessity to call for the original petn after two, six weeks after the receipt of the Residency repl.

The letter of the Collector of Madras Dt 11.1.32 shows that the petr (aged 12 years) & her brother (aged 9 years) are in poor circumstances, that they are under the ~~care~~ support of their ✝ maternal Grandmother, their father residing separately, and that the pension of Rs 3/- granted to the deceased Habibunnissa Begam may be continued to the applicant.

G.O. no 47252 - SSA 143-30-6 Dt 23.3.31, sanctioning the pension to Habibunnissa Begam, shows that the pension was granted to her as she was poor & had three children to support, two only ~~from~~ children whom are the applicant & her brother referred to, the other died, about 1 year old, leaving died in Dec[r] last.

The father of the petitioner and her brother is alive. He is reported to be living separately. The pension now vacant was sanctioned to Habibunnisa Begum for life and should lapse on her death. I am not sure if there is sufficient justification for the continuance of the pension.

In view of the known poor circumstances of the family, the pension may perhaps be continued to the petr. thro her guardian for a period of 12 years or until her marriage.
